CITY COUNCIL DEVOTION

"The Gift of Righteousness"

Introduction: John F. Kennedy: quoted the passage that indicates that righteousness exalts a nation; but sin is a reproach to any people.

The Bible does not indicate that there are two kinds of righteousness as some people maintain. 1) Civic righteousness, which is its own reward--2) or Spiritual righteousness which is prompted by God's action on the hearts.

True Righteousness comes from God and is an action which He initiates by His own action, quite apart from our own efforts.

As the care and concern for all the people and many of their needs must rest as a heavy burden on the shoulders of City officials. That burden can be much lighter when one has the wisdom to acknowledge and accept help from God in Christ.

It is true wisdom, when one can recognize human frailties.

"Of myself I can do nothing... I can do all things through Christ which streagthens me."

With God all things are possible.

It is increasingly important that a city beset with such diverse problems as a sagging economy, Ku Klux Klan incitement to violence, the Hatch trial, ext., the leaders of this city should seek the wisdom and righteousness of God. It is with the gift of God's righteousness that right decisions can be made. Justice can be served. And the needs of the people, and the growth of the city more effective.
